Fill in the gaps

Mirrors by Justin Timberla
•
Aren't you something
To admire
'Cause your shine is something like a mirror
And I can't help but notice
You reflect in this heart of mine
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallel on the other side
'Cause with your hand in my hand
And a pocket full of soul
I can tell you there's no place we couldn't go
Just put your (1) on the past
I'm here trying to pull you through
You just gotta be strong
'Cause I don't wanna lose you now
I'm looking right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you, baby, it was easy
Coming back into you once I figured it out
You were right (2) all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise

That we're making

Fill in the gaps

Two reflections Into one 'Cause it's like you're my mirror My mirror staring back at me, staring back at me Aren't you something An original 'Cause it doesn't seem really as simple And I can't help but stare, 'cause I see truth somewhere in your eyes I can't ever Change without you You reflect me, I love that about you And if I could, I Would look at us all the time 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your (3)_____ on the past I'm here trying to pull you through You just gotta be strong 'Cause I don't wanna lose you now I'm looking right at the other half of me

Show me how to fight for now		
And I'll tell you, baby, it was easy		
Coming back into you once I figured it out		
You were right here all along		
It's like you're my mirror		

My mirror staring back at me

The vacancy that sat in my heart

Is a space (4)_____ now you hold

inglés
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise
That we're making
Two reflections
Into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me
Yesterday is history
Tomorrow's a mystery
I can see you looking back at me
Keep your eyes on me
Baby, keep (5) eyes on me
'Cause I don't wanna lose you now
I'm looking right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now (you (6) me baby)
I'll tell you, baby, it was easy
Coming back into you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise
That we're making
Two reflections
Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

(You are, you are the love of my life)

(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
You are, you are the love of my life
You are, you are the love of my life
You are, you are the love of my life
You are, you are the love of my life
Now you're the inspiration of this precious song
And I just (7) see your face
Light up since you put me on
So now I say goodbye to the old me, it's already gone
And I can't wait, wait, wait, wait to get you home
Just to let you know, you are
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
Girl you're my reflection
All I see is you
My reflection
In everything I do

You're my reflection
