# Mirrors by Justin Timberlake

## Fill in the gaps

Aren't you something	
To admire	
'Cause your shine is something like a mirror	
And I can't help but notice	
You reflect in (1) heart of mine	
If you ever feel (2) and	
The glare makes me hard to find	
Just (3) that I'm always	
Parallel on the other side	
'Cause with your hand in my hand	
And a pocket full of soul	
I can tell you there's no (4) we couldn't go	
Just put your hand on the past	
I'm here trying to pull you through	
You just (5) be strong	
You just (5) be strong 'Cause I don't (6) (7) you now	
'Cause I don't (6) (7) you now	
'Cause I don't (6) (7) you now I'm looking right at the other half of me	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to (8) for now	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to (8) for now And I'll tell you, baby, it was easy	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to (8) for now And I'll tell you, baby, it was easy Coming back into you once I figured it out	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to (8) for now And I'll tell you, baby, it was easy Coming back into you once I figured it out You were (9) here all along	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to (8) for now And I'll tell you, baby, it was easy Coming back into you once I figured it out You were (9) here all along It's like you're my mirror	
'Cause I don't (6) (7) you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to (8) for now And I'll tell you, baby, it was easy Coming back into you once I figured it out You were (9) here all along It's like you're my mirror My mirror staring back at me	

That we're making

#### Fill in the gaps

Into one 'Cause it's like you're my mirror My mirror staring (11)\_\_\_\_\_ at me, staring back at me Aren't you something An original 'Cause it doesn't seem really as simple And I can't help but stare, 'cause I see truth (12)\_\_\_\_\_ in your eyes I can't ever Change without you You reflect me, I love that about you And if I could, I Would look at us all the time 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the past I'm here trying to pull you through You just gotta be strong 'Cause I don't wanna lose you now I'm looking (13)\_\_\_\_\_ at the other (14)\_\_\_\_ of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Coming back into you once I (15)\_\_\_\_\_ it out You were right here all along It's like you're my mirror

My mirror staring back at me

#### I couldn't get any bigger

With anyone else (16) m	е
And now it's clear as this promise	
That we're making	
Two reflections	
Into one	
'Cause it's like you're my mirror	
My mirror staring back at me, staring (17	') at me
Yesterday is history	
Tomorrow's a mystery	
I can see you looking back at me	
Keep your eyes on me	
Baby, keep your eyes on me	
'Cause I don't wanna lose you now	
I'm looking right at the other half of me	
The vacancy that sat in my heart	
Is a space that now you hold	
Show me how to fight for now (you show	me baby)
I'll tell you, baby, it was easy	
Coming back into you once I figured it ou	t
You were right here all along	
It's like you're my mirror	
My mirror staring back at me	
I couldn't get any bigger	
With anyone else (18) m	е
And now it's clear as this promise	
That we're making	
Two reflections	
Into one	

'Cause it's like you're my mirror

#### My mirror staring back at me, staring back at me

(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
You are, you are the love of my life
You are, you are the love of my life
You are, you are the love of my life
You are, you are the love of my life
Now you're the inspiration of this precious song
And I just (19) see your face
Light up since you put me on
So now I say goodbye to the old me, it's already gone
And I can't wait, wait, wait, wait to get you home
Just to let you know, you are
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
Girl you're my reflection
All I see is you
My reflection
In everything I do

You're my reflection
