# Mirrors by Justin Timberlake

#### Fill in the gaps

Aren't you something To admire 'Cause your shine is something like a mirror And I can't help but notice You (1)\_\_\_\_\_ in this heart of mine If you ever feel alone and The glare makes me hard to find Just know that I'm always Parallel on the other side 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the past I'm here trying to pull you through You just gotta be strong 'Cause I don't wanna lose you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Coming back into you once I figured it out You were right here all along It's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside me

And now it's clear as this promise

That we're making

#### Fill in the gaps

Into one 'Cause it's like you're my mirror My mirror staring back at me, (2)\_\_\_\_\_ back at me Aren't you something An original 'Cause it doesn't seem really as simple And I can't help but stare, 'cause I see truth somewhere in your eyes I can't ever Change without you You reflect me, I love that about you And if I could, I Would look at us all the time 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the past I'm here trying to pull you through You just (3)\_\_\_\_\_ be strong 'Cause I don't wanna (4)\_\_\_\_\_ you now I'm looking right at the (5)\_\_\_\_\_ half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Coming back into you once I figured it out You were right here all along

It's like you're my mirror

My mirror staring back at me

JUB
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise
That we're making
Two reflections
Into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me
Yesterday is history
Tomorrow's a mystery
I can see you looking back at me
Keep your eyes on me
Baby, (6) your eyes on me
'Cause I don't wanna lose you now
I'm looking right at the (7) half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now (you show me baby)
I'll tell you, baby, it was easy
Coming back (8) you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise

That we're making

'Cause it's like you're my mirror

Two reflections

Into one

# Fill in the gaps

# Fill in the gaps

My mirror staring back at me, staring back at me
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
You are, you are the love of my life
You are, you are the love of my life
You are, you are the love of my life
You are, you are the love of my life
Now you're the inspiration of this precious song
And I just wanna see your face
Light up since you put me on
So now I say goodbye to the old me, it's already gone
And I can't wait, wait, wait, wait to get you home
Just to let you know, you are
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
(You are, you are the love of my life)
Girl you're my reflection
All I see is you

My reflection

In everything I do

You're my reflection

#### And all I see is you

My reflection

In everything I	do
-----------------	----

(You are, you are the love of my life)

(You are, you are the love of my life)

(You are, you are the love of my life)

(You are, you are the love of my life)

You are, you are the love of my life

You are, you are the love of my life

You are, you are the love of my life  $% \left( 1\right) =\left( 1\right) \left( 1\right) \left($ 

You are, you are the love of my life

You are, you are the love of my life

You are, you are the love of my life

You are, you are the (9)\_\_\_\_\_ of my life

You are, you are the love of my life

You are, you are the love of my life

You are, you are the love of my life

You are, you are the love of my life

You are, you are the love of my life
