

Fill in the gaps

I remember way back, way (1) when	And the (20) you (21) the more I want
I (2) I never wanna see (3) face again	so foolishly
'Cause you were loving, yes you're (4)	But I will never be your (22) stone
somebody else	Take it all or leave me alone
And I knew, oh yes, I knew I couldn't control myself	l (23) be (25)
And now they bring you back into my (5) again	stepping stone
And so I put on a face just like your friends	I'm standing upright
But I think you know, oh yes, you know what's	On my own
(6) on	No, I will never be (26) stepping stone
'Cause the (7) in me, oh yes, in me	Take it all
Are burning strong	Or (27) me alone
But I (8) (9) be your	I will never be your stepping stone
(10) stone	I'm standing upright
Take it all or leave me alone	On my own
I will never be your (11) stone	Never be (28) stepping stone
I'm standing upright	Take it all
On my own	Or leave me alone
You used to call me up (12) time to time	I will never be your stepping stone
And it would be so (13) for me not to	I'm standing upright
(14) the line	On my own
The words of love lay on my lips just (15) a curse	
And I knew, oh yes, I knew they'd only make it worse	
And now you have the nerve to (16) along	
Just like the (17) beats in (18)	
song	
You got (19) kicks, you get your kicks from playing	
me
