

You got your kicks, you get your kicks from playing me

Fill in the gaps

I (1) way back, way back when	And the (6) you give the more I want so foolishly
I said I never wanna see your face again	But I will never be your (7) stone
Cause you were loving, yes you're loving somebody else	Take it all or leave me alone
And I knew, oh yes, I (2) I couldn't control myself	I will never be your stepping stone
And now they bring you back into my life again	I'm standing upright
And so I put on a (3) just like your friends	On my own
But I think you know, oh yes, you know what's going on	No, I will never be your stepping stone
Cause the feelings in me, oh yes, in me	Take it all
Are burning strong	Or leave me alone
But I (4) never be your stepping stone	I will never be your stepping stone
Take it all or leave me alone	I'm standing upright
I will never be your stepping stone	On my own
I'm standing upright	Never be (8) stepping stone
On my own	Take it all
You used to (5) me up from time to time	Or (9) me alone
And it would be so hard for me not to cross the line	I will never be (10) stepping stone
The words of love lay on my lips just like a curse	I'm standing upright
And I knew, oh yes, I knew they'd only make it worse	On my own
And now you have the nerve to play along	
Just like the maestro beats in your song
