Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn	So lost in the moments when you're in them
Well that's alright (1) I like the way it hurts	It's the (6) (7) the corporate controls
Just gonna stand there and hear me cry	you both
Well that's alright because I love the way you lie	So they say it's best to go your seperate ways
I love the way you lie	Guess they don't know you
[Eminem]	Cause today, that was yesterday
I can't tell you what it really is	Yesterday is over, it's a different day
I can only tell you what it feels like	Silent broken records playing over
And right now there's a steel knife in my windpipe	But you promised her next time (8) show
I can't breathe but I still fight while I can fight	restrain
As long as the wrong feels right it's like I'm in flight	You don't get another chance
High off of love, drunk from my hate	Life is no nintendo game, but you lied again
Its like I'm huffing paint	Now you get to watch her leave out the window
And I love it the more that I suffer, I suffocate	I guess that's why they call it window pane
And right before I'm about to drown she resuscitates me	[Rihanna]
She fucking hates me and I love it, wait	Just gonna stand there and watch me burn
Where you going, I'm leaving you	Well that's alright because I like the way it hurts
No you ain't, come back	Just gonna stand there and hear me cry
We're running right back	Well that's alright because I love the way you lie
Here we go again, it's so insane	I love the way you lie, I love the way you lie
Cause when it's going good (2) going great	[Eminem]
I'm superman with the wind at his back, (3)	Now I know we said things
Lois Lane	Did things that we didn't mean
But when it's bad it's awful I feel so ashamed, I snapped	And we fall back into the same patterns, same routine
Who's that dude I don't even know his name	But your temper is just as bad is mine is
I laid hands on her, I'll never stoop so low again	You're the same as me
I guess I don't know my own strength	When it comes to love you're just as blinded
[Rihanna]	Baby, please come back it wasn't you maybe it was me
Just gonna stand there and watch me burn	Maybe our relationship isn't as crazy as it seems
Well that's alright because I like the way it hurts	Maybe that's (9) happens when a tornado meets a
Just gonna stand there and hear me cry	valcano
Well that's alright because I love the way you lie	All I know is I love you too much to walk away though
I love the way you lie, I love the way you lie	Come inside, pick up your bags off the sidewalk
[Eminem]	Don't you hear sincerity in my voice when I talk?
You ever love somebody so much	Told you this is my fault, look in the eyeball
You can barely breathe when you're with 'em	Next time I'm pissed I'll aim my fist at the drywall
You meet and neither one of you even know what hit 'em	Next time, there (10) be no next time
Got that warm fuzzy feeling	I apologize even though I know it's lies
Yeah them (4) used to get 'em	I'm tired of the games I just want her back
Now you're getting fucking sick at lookin at 'em	I know I'm a liar if she ever tries to fucking leave again
You swore (5) never hit 'em	I'mma tie her to the bed and set this house on fire
Never do nothing to hurt 'em	[Rihanna]
Now you're in each others face	Just gonna stand there and watch me burn
Spewing venom in your words when you spit 'em	Well that's alright because I like the way it hurts
You push, pull each other's hair, scratch, claw	Just gonna stand there and hear me cry
Bit 'em, throw 'em down, pin 'em	Well that's alright because I love the way you lie
	I love the way you lie, I love the way you lie
