Fill in the gaps

One And The Same by Selena Gomez & Demi Lovato

Hey hey hey	(Get along)
La la la la la	And it may seems cliché for me to wanna say
Hey hey hey	That you're not alone (here I go again)
La la la la la	And you can call me uncool but it's a simple fact
You come from here	I still got your back yeah
I come from there	I still got your back
You rockout in your room	'Cause we're one and the same
I rock the world premiere	We're anything but ordinary
Were more alike then anybody could ever tell	One ande the same
(Every tell)	I think we're almost legendary
Friday were cool	You and me the perfect team
Monday were freaks	Shaking at the scene
Sometimes you rule	We're one and the same (one one)
Sometimes you can't even speak	(Yeah, yeah)
But we can get out and let loose and LOL (LOL)	'Cause we're one and the same
