

Fill in the gaps

We'll Be Coming Back by Calvin Harris & Example

We took it all (1) but I'm wishing I'd stayed	We'll be (13) back for you one day
In the back room (2) I heard you say	We'll be coming back for you one day
We didn't want to call it too early	I don't even care if I know you
Now it seems a (3) but I miss the	Out of our minds
thing	Sad to leave it all behind
Are we ever gonna (5) the same?	We'll be coming back for you one day
Standing in the (6) till it's over	We'll be coming back for you one day
Out of our minds	Gonna rise, (14) fall, getting (15)
Someone had to draw a line	apart
We'll be coming (7) for you one day	And we all do it all cause it (16) our hearts
We'll be coming back for you one day	Gonna (17) up the skies, or ignore the stars
I don't even care if I know you	And we all do it all 'cause it stole our hearts
Out of our minds	Standing in the light (18) it's over
Sad to (8) it all behind	Out of our minds
We'll be (9) back	Someone had to (19) a line
We'll be coming back for you one day	We'll be (20) back for you one day
You can see it from afar we were riding that wave	We'll be (21) back for you one day
Blinded by the lights and it's (10) not	I don't (22) (23) if I (24) you
great	Out of our minds
We didn't want to call it too early	Sad to leave it all behind
Now it seems a world (11) but I miss the thing	We'll be coming (25) for you one day
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light (12) it's over	
Out of our minds	
Someone had to draw a line	

- 1. apart
- 2. something
- 3. world
- 4. away
- 5. feel
- 6. light
- 7. back
