

Fill in the gaps

Hey, ney	You think, you think you know
You're almost home	When you're almost there and you're almost home
You're almost home	Just open up your eyes and go, go
You're almost home	When you're almost there, almost home
I've seen the light in the sky	Know you're not alone
In the skies are like fireflies	You're almost home
Burning bright, just to vanish in the dark	
I've held hope in my two hands	When you let your (9) be the compass
That there would be another chance	You won't get lost, not if you trust it
To (1) the kingdom, I'm believing in my heart	When you hear the sound of the trumpet
'Cause underneath the good	Louder than ever before
There's something greater (2) you know	(Oh) when you're almost there
When you're almost there and you're almost home	Almost home
Just (3) up your (4) and go, go	Just open up your eyes and go, go
When you're almost there, almost home	'Cause you're almost there
Know you're not alone	Almost home
You're almost home	Know you're not alone
	You're (10) home
(You're almost home)	
When you run, run so far	When you're almost there
You've forgotten who you are	Almost home
Where you're from	Just open up your eyes and go, go
It's (5) some other universe	Almost there
You count your steps, like they're regrets	You're almost home
You catch one (6) then (7) the rest	Know you're not alone
Wrong is right	You're almost home
Right is left	
And there's (8) left to turn	
So don't believe in everything
