

## Fill in the gaps

## Fell In Love With A Girl by The White Stripes

Fell in love (1) a girl	That all love is fleeting
I fell in love once and (2) completely	She's just looking for something new
She's in love (3) the world	And I said it once before
But (4) these feelings	But it bears repeating
Can be so misleading	Fell in love (15) a girl
She (5) and says are you alright	I fell in love once and (16) completely
I said I (6) be fine	She's in love with the world
'Cause my heart's still beating	But (17) these feelings
Come and kiss me by the riverside, yeah	Can be so misleading
Bobby (7) it's fine he don't consider it cheating	She turns and says are you alright
Red hair (8) a curl	I said I (18) be fine
Mellow roll for the flavor	'Cause my heart's (19) beating
And the eyes for peeping	Come and kiss me by the riverside, yeah
Can't (9) away from the girl	Bobby says it's (20) he don't consider it cheating
These two sides of my brain	
Need to have a meeting	Can't think of (21) to do, yeah
Can't think of anything to do, yeah	My left (22) knows
My left (10) knows	That all love is fleeting
That all love is fleeting	She's (23) looking for something new
She's just looking for (11) new, yeah	And I (24) it (25) before
And I said it (12) before	But it bears (26) now
But it bears repeating	
Can't (13) of anything to do	
My (14) brain knows	

## SUB inglés

- 1. with
- 2. almost
- 3. with
