And it seems to me

Fill in the gaps

Candle In The Wind '97 by Elton John

300dbye England's rose	You lived your (15) like a candle in the wind
May you ever (1) in our hearts	Never (16) with the sunset
You were the grace (2) placed itself	When the (17) set in
Where lives were torn apart	And your footsteps (18) always fall here
You called out to our country	Along England's greenest hills
And you whispered to those in pain	Your candle's burned out long before
Now you belong to Heaven	Your legend ever will
And the stars spell out your name	Goodbye England's rose
And it seems to me	May you (19) grow in our hearts
You (3) your (4) like a candle in the	You were the (20) (21)
wind	(22) itself
Never (5) (6) the sunset	Where lives were torn apart
When the (7) set in	Goodbye England's rose
And your (8) (9)	From a country lost without (23) soul
(10) fall here	Who'll miss the wings of your compassion
Along England's (11) hills	More than you'll ever know
Your candle's (12) out long before	And it seems to me
Your legend (13) will	You lived (24) life like a candle in the wind
_oveliness we've lost	Never fading with the sunset
Those empty days without your smile	When the (25) set in
This torch we'll always carry	And (26) footsteps will always (27) he
For our nation's golden child	Along England's greenest hills
Even (14) we try	Your candle's burned out (28) before
The truth brings us to tears	Your legend ever will
All our words cannot express
