# Nothing Even Matters by Big Time Rush 'Cause the world stops When I put my (1)\_\_\_\_\_\_ (2)\_\_\_\_\_ you

Around you
(Oh whoa)
Nothing even Matters (eh eh)
Nothing even matters
It's like one for the haters
Two for all of those
Try to shut us down
They don't really know
There ain't nothing they can do
That can tear us apart
No
I don't care about the money
Don't care about the clothes
When we're (3) (4) anything goes
When we're (3) (4) anything goes  We don't even need to prove
We don't even need to prove
We don't even need to prove  What we're feeling of ours
We don't even need to prove  What we're feeling of ours  No
We don't even need to prove  What we're feeling of ours  No  This wall we built together
We don't even need to prove  What we're feeling of ours  No  This wall we built together  There ain't no way I'm knocking it over
We don't even need to prove  What we're feeling of ours  No  This wall we built together  There ain't no way I'm knocking it over  It will be here forever
We don't even need to prove  What we're feeling of ours  No  This wall we built together  There ain't no way I'm knocking it over  It will be here forever  Getting closer and closer baby
We don't even need to prove  What we're feeling of ours  No  This wall we built together  There ain't no way I'm knocking it over  It will be here forever  Getting closer and closer baby  'Cause the world stops
We don't even need to prove  What we're feeling of ours  No  This wall we built together  There ain't no way I'm knocking it over  It will be here forever  Getting closer and closer baby  'Cause the world stops  When I put my arms around you

Nothing even matters

#### They can all talk

Say what they want about us
About us
(Oh whoa)
Nothing even matters (whoa)
Nothing (5) matters
It's like the sound goes off and people all freeze
They disappear and it's you and me
Anything you wanna do
Anything that you please
(Oh whoa no)
Forget about our problems
Forget (6) our past
I've see the future and I know you're wonna last
Every second I'm with you just goes so fast
(Woah woah)
This wall we've built together there ain't no way
I'm knocking it over
It will be here forever
That I told ya
That I (7) ya
Baby 'cause
'Cause the world stops
When I put my arms around you
Around you
(Oh whoa)
Nothing even matters (eh eh)
Nothing even matters
They can all talk
Say what they want about us
