A drop in the ocean	The last excuse that I'll claim
A change in the weather	I was a boy who loved a women like a little girl
I was (1) that you and me might	And still I can't let you be
End up together	Most (7) I (8) sleep
It's like wishing for rain	Don't take what you don't need from me
As I stand in the desert	It's just a drop in the ocean
But I'm holding you (2) than most	A change in the weather
'Cause you are my heaven	I was praying that you and me might
I don't wanna waste the weekend	End up together
If you don't love me pretend	It's like wishing for (9) as I stand in the desert
A few (3) hours	But I'm holding you closer than most
Then it's time to go	'Cause you are my
And as my train rolls down the East coast	Heaven doesn't seem far away anymore
I (4) how you keep warm	No, no
It's too (5) to cry	Heaven doesn't seem far away
Too broken to move on	Heaven doesn't seem far away anymore
And still I can't let you be	No, no
Most nights I hardly sleep	Heaven doesn't seem far away
Don't take what you don't need from me	(Oh oh)
It's just a drop in the ocean	(Oh oh)
A change in the weather	It's just a drop in the ocean
I was praying that you and me might	A change in the weather
End up together	I was praying that you and me might
It's like wishing for rain as I stand in the desert	End up together
But I'm holding you closer than most	It's like (10) for rain as I stand in the dese
'Cause you are my heaven	But I'm holding you closer than most
Misplaced trust and old friends	'Cause you are my heaven
Never counting regrets	(Oh oh) you are my heaven
