

You just gotta be strong

Fill in the gaps

Mirrors (Live) by Justin Timberlake

Aren't you something to admire	'Cause I don't wanna (16) you now
Cause your shine is something like a mirror	I'm looking right at the other half of me
And I can't help but notice	This vacancy (17) sat in my heart
ou reflect in this heart of mine, yeah	Is a space that now you hold
f you ever feel alone and	Show me how to (18) for now
The glare (1) me hard to find	And I'll tell you baby, it was easy
lust know that I'm always	Coming back into you once I figured it out
Parallell on the other side	You (19) right here all along
Cause with your hand in my hand	It's (20) you're my mirror
And a pocket full of soul	My mirror staring back at me
can tell you there's no place we couldn't go	I couldn't get any bigger
lust put your hand on the past	With anyone else beside of me
m here trying to pull you through	And now it's (21) as this promise
ou just gotta be strong	That we're making
Cause I don't wanna lose you now	Two reflections into one
m looking right at the other half of me	'Cause it's like you're my mirror
The vacancy that sat in my heart	My mirror (22) (23) at me
s a space that now you hold	(staring back at me)
Show me how to fight for now	Yesterday is history
And I'll (2) you baby	Tomorrow's a mystery
t was (3) coming back into you once	I can see you looking back at me
figured it out	Keep your (24) on me
ou were (4) here all along	Baby, keep your eyes on me
t's like you're my mirror	London ('cause I don't wanna lose you now)
My (5) back at me	Put your hands together right now, come on
couldn't get any bigger	I'm looking (25) at the other half of me
Nith anyone else beside of me	This vacancy that sat in my heart
And now it's clear as (7) promise	Is a space that now you hold (no, no, no, no)
That we're making	Show me how to fight for now
「wo (8) into one	And I'll tell you baby that it was easy
Cause it's (9) you're my mirror	Coming (26) into you once I (27)
Лу (10) (11)	it out
12) at me, staring back at me	You were right here all along
Aren't you something	It's like you're my mirror
An original, 'cause it doesn't seem merely assembled	My mirror staring back at me
And I can't help but stare 'cause	I couldn't get any bigger
see truth somewhere in your eye	With anyone else beside of me
can't ever change (13) you	And now it's clear as (28) promise
ou reflect me, I love that about you	That we're making
And if I could, I would look at us all the time	Two reflections into one
Cause with your hand in my hand	'Cause it's like you're my mirror (no, no, no)
And a (14) full of soul	My mirror staring back at me, staring back at me
can tell you there's no place we couldn't go	No
lust put (15) hand on the past	Thank you London
'm here trying to pull you through	Have a great night
