

You just gotta be strong

Fill in the gaps

Mirrors (Live) by Justin Timberlake

Aren't you something to admire	'Cause I don't wanna lose you now
'Cause (1) shine is something like a mirror	I'm looking right at the other half of me
And I can't help but notice	This vacancy that sat in my heart
You reflect in this heart of mine, yeah	Is a space that now you hold
If you ever feel alone and	Show me how to (8) for now
The glare makes me hard to find	And I'll tell you baby, it was easy
Just know that I'm always	Coming back into you once I figured it out
Parallell on the other side	You were right here all along
'Cause with your hand in my hand	It's like you're my mirror
And a pocket full of soul	My mirror (9) back at me
I can tell you there's no place we couldn't go	I couldn't get any bigger
Just put your hand on the past	With anyone else beside of me
I'm here trying to pull you through	And now it's clear as this promise
You just gotta be strong	That we're making
'Cause I don't wanna lose you now	Two reflections into one
I'm looking right at the other (2) of me	'Cause it's like you're my mirror
The vacancy that sat in my heart	My mirror staring (10) at me (staring back at me)
Is a (3) that now you hold	Yesterday is history
Show me how to fight for now	Tomorrow's a mystery
And I'll tell you baby	I can see you looking back at me
It was easy coming back into you once	Keep your eyes on me
I figured it out	Baby, keep your eyes on me
You were right here all along	London ('cause I don't wanna lose you now)
It's like you're my mirror	Put your hands together right now, come on
My mirror staring back at me	I'm looking right at the other half of me
I couldn't get any bigger	This vacancy that sat in my heart
With anyone else beside of me	Is a space that now you hold (no, no, no, no)
And now it's clear as this promise	Show me how to fight for now
That we're making	And I'll tell you baby that it was easy
Two (4) into one	Coming back into you once I figured it out
'Cause it's like you're my mirror	You were right here all along
My mirror staring (5) at me, staring back at me	It's like you're my mirror
Aren't you something	My mirror staring back at me
An original, 'cause it doesn't seem merely assembled	I couldn't get any bigger
And I can't help but stare 'cause	With anyone else beside of me
I see truth somewhere in your eye	And now it's clear as this promise
I can't ever change without you	That we're making
You reflect me, I (6) that about you	Two reflections into one
And if I could, I would look at us all the time	'Cause it's like you're my mirror (no, no, no)
'Cause with your hand in my hand	My mirror staring back at me, staring back at me
And a pocket (7) of soul	No
I can tell you there's no place we couldn't go	Thank you London
Just put your hand on the past	Have a great night
I'm here trying to pull you through
