Ever close your eyes	Every summer sun
Ever stop and listen	Every winter evening
Ever (1) alive	Every (12) to come
And you've (2) missing	Every (13) leaving
You don't need a reason	You don't (14) a reason
Let the day go on and on	Let it all go on and on
Let the rain fall down	What a day, (15) a day to take to
Everywhere around you	What a way, (16) a way to (17)
Give (3) it now	through
Let the day (4) you	What a day, (18) a day to take to a wild child
You don't (5) a reason	What a day, what a day to take to
Let the (6) go on and on	What a way, what a way to make it through
What a day, (7) a day to take to	What a day, (19) a day to take to a (20)
What a way, (8) a way to (9) it through	child
What a day, what a day to (10) to a wild child	What a day, (21) a day to take to
Only take the time	What a way, what a way to (22) it through
From the helter skelter	What a day, what a day to take to
Every day you find	
Everything's in kilter	What a way, what a way to make it through
You don't (11) a reason	What a day, what a day to take to a (23) child
Let the day go on and on	What a day, what a day to take to a wild child
