

## Fill in the gaps

I've got enough on my mind	Go on, go on
That when she (1) me by the hand	If you were thinking that the worst is yet to come
She hasn't much to hold onto	Why am I the one
She's (2) count on her hands	Always (16) all my stuff
One, two, three days that I've been	For once, for once
Sleeping on my side	I get the feeling that I'm right where I belong
I've finished kissing my death	Why am I the one
So now I head back up the steps	Always packing all my stuff
Thinking (3) where I've been	I think I (17) (18) it but
I mean it's always (4) like this	I might have had too much
So I (5) (6) (7) the	I'll move back down
seasons	To (19) western town
I guess it makes sense	When they find me out
Cause my life's become as vapid as	Make no mistake about it
A (8) out in Los Angeles	I'll move back down
And I just wanna stay in bed	To this western town
I hold you like I used to	When (20) (21) me out
You know that I am home	Make no (22) about it
So darling, if you love me	I'll move back down (go on, go on, go on)
Would you let me know	If you were thinking (23) the worst is yet to come
Or go on, go on	Why am I the one
If you were thinking (9) the worst is yet to come	Always (24) all my stuff
Why am I the one	Go on, go on, go on
Always (10) all my stuff	If you were thinking that the worst is yet to come
For once, for once	Why am I the one
I get the feeling that I'm right where I belong	Always packing all my stuff
Why am I the one	For once, for once
Always (11) all my stuff	I get the feeling that I'm right where I belong
She got (12) on her mind	Why am I the one
That she feels no sorrow	Always packing all my stuff
l let my faith fill the air	I (25) I (26) like it but
So now she's rolling down the window	I might have had too much
Never been one to (13) on	l'II (27) (28) down
But I need a (14) breath	
So I ask if she remembers when	
She used to come and visit me	
We were fools to (15) that nothing could go	
wrong
