

She used to come and visit me

We were fools to think that nothing could go wrong

## Fill in the gaps

I've got enough on my mind	Go on, go on
That when she pulls me by the hand	If you were thinking that the worst is yet to come
She hasn't much to hold onto	Why am I the one
She's keeping count on her hands	Always packing all my stuff
One, two, (1) days (2) I've been	For once, for once
Sleeping on my side	I get the feeling that I'm right where I belong
I've finished kissing my death	Why am I the one
So now I head back up the steps	Always packing all my stuff
Thinking about where I've been	I think I kinda like it but
I mean it's always (3) like this	I might have had too much
So I wanna feel with the seasons	I'll move back down
I guess it makes sense	To (5) western town
'Cause my life's become as vapid as	When they find me out
A night out in Los Angeles	Make no mistake about it
And I just wanna stay in bed	I'll move back down
I hold you like I used to	To this (6) town
You know that I am home	When they find me out
So darling, if you love me	Make no (7) about it
Would you let me know	I'll move back down (go on, go on, go on)
Or go on, go on	If you (8) thinking that the worst is yet to come
If you were thinking that the (4) is yet to come	Why am I the one
Why am I the one	Always packing all my stuff
Always packing all my stuff	Go on, go on, go on
For once, for once	If you (9) thinking that the worst is yet to come
I get the feeling that I'm right where I belong	Why am I the one
Why am I the one	Always packing all my stuff
Always packing all my stuff	For once, for once
She got enough on her mind	I get the (10) that I'm right where I belong
That she feels no sorrow	Why am I the one
I let my faith fill the air	Always packing all my stuff
So now she's rolling down the window	I think I kinda like it but
Never been one to hold on	I might have had too much
But I need a last breath	I'll move back down
So I ask if she remembers when	

- 1. three
- 2. that
- 3. never
- 4. worst
- 5. this
- 6. western
- 7. mistake
- 8. were
- 9. were
- 10. feeling
