## Let's Do The Things We Normally Do by Dido

Let's pretend that we'll be (1) tomorrow	Let's do the (7) we (8)
And I'll try for you to be a little more on time	do
I (2) you need to say you know you've let me down	I'll say see you later you'll sing a line or two
But you haven't and it's hard to talk	From your rebel songs sung out of tune
With people all around	Don't hold my hand for longer than you need to
Please don't say how proud you are	Don't (9) me in the eye more than you need to
Let's do the things we normally do	Don't try to say goodbye if I don't want to
I'll say see you later	Don't say how proud you are
You'll sing a line or two	And say I'm far away
From your rebel (3) sung out of tune	And take along your live
Don't hold my hand for longer than you need to	And say a word
	And I can say I fade away
Let's forget that we're here and make some plans	And later
We'll go for walks	We're so ok
Sit will go on the bench we always sat	Alone
I'll tell you every little detail	And stay
Of my day and so will you	Cold
But don't try to stay awake	And say "I'm fine"
I'm feeling tired too	And there
This is (4) another day	Alone you are
Let's do the things we normally do	Alone
I'll say see you later you'll sing a line or two	And say "you're fine"
From your rebel songs sung out of tune	(Ooh)
Don't hold my hand for longer than you need to	And say ok
Armored cars and tanks and guns	(Ooh)
Came to take away our sons	And stay ok
And (5) stood behind	(Ooh)
The man (6) the wire	Alone you stay
There's a fight to love	Alone
A fight to have	
Your bed's a battlefield and back
