

Fill in the gaps

Earthquake by Labrinth & Tinie Tempah

Labrinth, come in	'Cause we (12) bombs on it, throw bombs on it
Labrinth, come in	Let's smash something, yeah mosh for it
Labrinth, come in	Hey yeah
Ladies and gentleman, (1) is something	We can make an earthquake up in here
(2) call	I (13) an earthquake up in here
A ground-breaker (breaker, breaker)	Say yeah
So let me first apologize	I predict an earthquake up in here
To the (3) and the ties	'Cause we throw bombs on it, (14)
For your make up (make up, (4) up)	(15) on it
Cause I make you ugly	Yes, smash something, yes, mosh for it
As soon as it drops	Hey yes
We're on a rampage	We can make an earthquake up in here
Bottles popping off	So here we go, we go
Before you know it	Hey, yo Labrinth
There's rubble and dust	This one's feeling
Cause we be crashing it up	Like a straight ten on the Richter scale, you know
Somebody say (you better run)	Yeah
Yeah	Fire, fire
I (5) an earthquake up in here	We about to set (16) (17) on fire
Say yeah	Without a match or lighter, don't do girlfriends
I predict an earthquake up in here	One nighters (18) them
Cause we throw bombs on it, throw (6) on it	C-minor, if I want (19) or Kurt Geiger
Let's smash something, yeah mosh for it	I just phone up the designer
Hey yeah	Doing all-nighters
We can make an (7) up in here	No days off, grey hairs and a little bit of (20)
Ladies and gentleman	loss
What you're (8) to witness	I (21) riots
It's no illusion	I predict chaos
And now	I predict people
We got the bass banging	I predict
From (9) to Buckingham Palace	Disturbing London, got the whole city panicking
They're all moving	I'll be Nostradamus, (22) my L-L-L-Labrinth
Hey Simon, we're * them up	Yeah
Turning them Syco	I predict an earthquake up in here
Everybody rock	Say yeah
Let's bring the house down	I (23) an (24) up
To rubble and dust	in here
Cause we be crashing it up	'Cause we throw (25) on it, throw
Somebody say (you (10) run)	(26) on it
Yeah	Let's smash something, yeah (27) for it
I (11) an earthquake up in here	Hey yeah
Say yeah	We can make an earthquake up in here
I predict an earthquake up in here	(So here we go, we go)
	Come in
