## SUB inglés

## Fill in the gaps

## Falling Down by Selena Gomez & The Scene

(Ooh)	The world start spinning out
You walk and talk like you're some new sensation	You (you)
You move in circles, you don't need a invitation	When you're falling down
You (1) (2) money, you can't get no	Now it's not all about
satisfaction	You (you)
You play it (3) so you can get the right reaction	When you're falling down
It won't be long my darling	You know I'll be around
Pick up the phone, nobody's on it	When you're falling down (falling down)
Where are you're (4) now, baby?	Smile for the camera, everybody's looking at ya
How's anyone supposed to be there for	Smile for the camera
You (you)	'Cause they're all about to (7) ya
When you're falling down	Smile for the camera, camera, camera
The world start spinning out	Smile for the camera
You (you)	Who's gonna catch ya?
When you're falling down	You (you)
Now it's not all about	You (you)
You (you)	When you're falling down
When you're falling down	The world start spinning out
You know I'll be around	You (you)
When you're falling down, falling down	When you're falling down
(When you're falling down, you're falling down)	Now it's not all about
(When you're falling down)	You (you)
What's out of place when you (5) into the mirror?	When you're falling down
The truth is (6) but the lies are getting clearer	You know I'll be around
Your eyes are fixed, your smile is so elastic	When you're (8) down (falling down)
You gave me roses but they're all just made of plastic	Smile for the camera, everybody's looking at ya
It won't be long, my darling	Smile for the camera
Pick up the phone, nobody's on it	'Cause they're all about to trash ya
Where are your friends now, baby?	
How's everyone supposed to be there for	
You (you)	
When you're falling down
