Green Light by Beyoncé

Fill in the gaps

Give it to mama	Go, go, go, go
Give it, give it	I said you're holdin' up traffic, green means go!
Give it to mama (mama)	So if you want to
Give it	You got the green light
Give it to (1) (mama)	So if you want to
For some strange reason	You got the (7) light
You (2) pleasin' me like it's okay	So if you want to
Like a perm that's been left too long	You got the green light
It starts to burn, the result is just won't take	So if you want to
(I can see)	You got the green light
Now it's all (3) so (4) to me now	Give it to mama
(I can see)	Ain't no problem, you can go (go, go)
Misinterpreted all my naiveness	I will find somebody else (go, go)
Was just (5) if I had no you than I can't	So why not move along? (go, go)
do	You got the green light so you can go (go, go)
My stock just went up (6) two million	Go, go, go, go
So if you want to	Red light, green light
You got the green light	I gave all I could give
So if you want to	To my love, my heart
You got the green light	Now we're (8) the end
So if you want to	Of what you did from the start, my love
You got the green light	
So if you want to	You're holdin' up traffic, green (9) go
You got the green light	So if you want to
(Give it to mama)	You got the green light
Go, go, go, go	So if you want to
Go, go, go, go	You got the green light
Go, go, go, go	So if you (10) to
Red light, green light	You got the green light
Some see me say I should be trophied	So if you want to
'Cause it gets no stronger	You got the green light
Ladies y'all know, yeah, girl y'all know	(Give it to mama)
This pimp*ish gets no older	Ain't no problem, you can go (go, go)
Is that a threat? Was another threat?	I will find somebody else (go, go)
Yep, that's another threat	So why not move along? (go, go)
From you, you can get no colder	You got the green light so you can go
You got the green light, you lookin' right	Go, go, go, go
You holdin' up traffic, green means go!	Red light, green light
Go, go, go, go	
Go, go, go, go	
Go, go, go, go	

- 1. mama
- 2. done
- 3. coming
- 4. clear
- 5. thinking
- 6. over
- 7. green
- 8. facing
- 9. means
- 10. want
