

Fill in the gaps

Hit The Lights by Selena Gomez & The Scene

It's the boy you never told I like you	Lose (16) tonight, (17) alive
It's the (1) you let get away	Let the moment take you, lose control tonight
It's the one you saw that day on the train	Hit the lights, let the (18) move you
But you (2) out and (3)	Lose yourself tonight, come alive
away	Let the moment (19) you, lose control tonight
It's the plane you (4) to Vegas	It's a mad mad world, (20) make an escape
Things you (6) you'll do before you die	It's a perfect world, when you go all the way
It's the city of love that waits for you	Hit the lights, let the music (21) you
But you're too damn scared to fly	Lose yourself tonight
Hit the lights, let the music move you	So let's go go go
Lose (7) tonight, come alive	All the way, yeah let's go go go
Let the moment (8) you, lose (9)	Night and day, from the floor to the rafters
tonight	People raise your glasses
Hit the lights, let the music move you	We (22) dance forever
Lose yourself tonight, come alive	Hit the lights, let the music move you
Let the moment take you, lose control tonight	Lose (23) tonight, come alive
It's the time that you totally screwed up	Let the moment (24) you, (25)
Still you're (10) get it out your brain	(26) tonight
It's the (11) you had (12) you didn't	It's a mad mad world, gotta make an escape
make up	It's a perfect world, when you go all the way
It's the past that you're dying to change	Hit the lights, let the music move you
It's all the money the you're saving	Lose yourself tonight
While the good life passes by	
It's all the dreams that never (13) true	
'Cause you're too (14) to try	
Hit the lights, let the music move you
