

Fill in the gaps

and I came nome	And I (11) wait, I will (12) for you
Like a stone	Now I'll be bold
And I fell heavy into your arms	As (13) as strong
These days of dust	And use my (14) alongside my heart
Vhich we've known	So tame my flesh
Vill (1) away	And fix my eyes
Vith (2) new sun	That tethered (15) (16) (17)
And I'll (3) down, wait for now	the lies
And I'll kneel down, know my ground	But I'll kneel (18) (19) for now
And I (4) wait, I will wait for you	I'll kneel (20) know my ground
And I will wait, I (5) wait for you	Raise my hands
So break my step	Paint my spirit gold
And relent	Bow my head
Vell, you forgave and I won't forget	Keep my (21) slow
Know what we've seen	'Cause I will wait, I will (22) for you
And him with less	And I will wait, I will wait for you
Now in (6) way shake the excess	And I (23) wait, I (24) (25)
And I will wait, I will wait for you	for you
And I will wait, I (7) wait for you	And I will wait, I (26) (27) for you
And I (8) wait, I (9) (10) for	
7011
