Pandemonium by Pet Shop Boys

Is this a riot or are you (1) pleased to see me	Dance to your drum
Why aren't we holding (2) and talking sweets	And now
I love you really (3) I know no one believe	s It's pandemonium
me	I can't make sense of anything
There's (4) every (5) we meet	All I (18) is the party's in full swing
Oh no, (6) what you've gone and done	If we (19) just stopped for a minute
You're (7) pandemonium	I (20) war and (21) you'd win it
That song you sing means everything	To tell you the truth
To me	I thought I was shockproof
I'm living in ecstasy	Until I saw (22) you get up to
The stars and the sun	When you think about it, it's quite an achievement
Dance to (8) drum	That after all
And now	l still (23) you
It's pandemonium	Oh no, look what you've gone and done
You're crashing everywhere	You're (24) pandemonium
It's like you're (9) china	That (25) you (26) means everything
Skidding on an icy road	To me
You're (10) trouble (11) you were	e I'm (27) in ecstasy
almost a minor	My world's gone mad, what did you do
I (12) think we'll both explode	Telling perfect strangers (28) I love you
Oh no, (13) you've gone and done	The stars and the sun
You're (15) pandemonium	Dance to your drum
That (16) you (17) means everything	And now
To me	It's pandemonium
I'm living in ecstasy	
My world's gone mad, what did you do	
Telling perfect strangers that I love you	
The stars and the sun
