Pandemonium by Pet Shop Boys

Is this a riot or are you just pleased to see me	Dance to your drum
Why aren't we holding hands and talking sweets	And now
I love you (1) though I know no one believes	It's pandemonium
me	I can't make sense of anything
There's chaos every (2) we meet	All I know is the party's in full swing
Oh no, look what you've gone and done	If we both just stopped for a minute
You're (3) pandemonium	I declare war and then you'd win it
That song you sing means everything	To tell you the truth
To me	I thought I was shockproof
I'm living in ecstasy	Until I saw what you get up to
The stars and the sun	When you think about it, it's quite an achievement
Dance to your drum	That after all
And now	I still love you
It's pandemonium	Oh no, (9) what you've gone and done
You're crashing everywhere	You're creating pandemonium
It's like you're smashing china	That song you sing means everything
Skidding on an icy road	To me
You're major (4) since you were almost a	I'm living in ecstasy
minor	My world's gone mad, what did you do
I (5) think we'll both explode	Telling perfect strangers that I love you
Oh no, (6) what you've gone and done	The stars and the sun
You're creating pandemonium	Dance to your drum
That song you sing means everything	And now
To me	It's pandemonium
I'm (7) in ecstasy	
My world's gone mad, (8) did you do	
Telling perfect strangers that I love you	
The stars and the sun
