

We're reaching for divinity...

Euphoria

Fill in the gaps

Why?	Forever 'til the end of time
Why can't this moment last forevermore?	From now on, (5) you and I
Tonight	We're (6) up
Tonight eternity's an (1) door	Euphoria
No, I don't ever stop doing the things you do	An everlasting piece of art
Don't go	A beating love (7) my heart
In every breath I take I'm breathing you	We're (8) up
Euphoria	Forever
Forever 'til the end of time	We sail into infinity
From now on, only you and I	We're higher
We're going up	We're (9) for divinity
Euphoria	Euphoria
An (2) piece of art	Euphoria
A beating love within my heart	We're going up
We're going up	Euphoria
We are here	An everlasting piece of art
We're all alone in our own universe	A beating love within my heart
We are free	We're going up
Where everything's (3) and (4)	Euphoria
comes first	Euphoria
Forever and ever together	We're going up
We sail into infinity	
We're higher and higher and higher
