

Fill in the gaps

Don't You Want Me by The Human League

But even then I knew I'd find a (6)_____ better place

You were working as a waitress in a cocktail bar	Either with or without you
When I met you	The five years we have had have been such good times
I picked you out, I (1) you up and turned you	I still love you
around	But now I think it's time I live my life on my own
Turned you into someone new	I guess it's just what I must do
Now (2) years later on you've got the world at your	Don't
feet	Don't you want me
Success has (3) so easy for you	You know I can't (7) it
But don't forget it's me who put you where you are now	When I hear that you won't see me
And I can put you back (4) too	Don't
Don't	Don't you want me
Don't you (5) me	You know I don't believe you
You know I can't believe it	When you say (8) you don't need me
When I hear that you won't see me	It's much too late to find
Don't	You think you've changed your mind
Don't you want me	You'd (9) change it back or we will both be
You know I don't believe you	sorry
When you say that you don't need me	Don't you want me baby
It's much too late to find	Don't you (10) me, oh
You think you've changed your mind	Don't you want me baby
You'd better change it back or we will both be sorry	Don't you want me, oh
Don't you want me baby	Don't you want me baby
Don't you want me, oh	Don't you want me, oh
Don't you want me baby	Don't you want me baby
Don't you want me, oh	Don't you want me, oh
I was working as a waitress in a cocktail bar	
That much is true
