A piece of shattered glass

Fill in the gaps

Just Before Goodbye by Nina Nesbitt

You got new jeans	'Cause (13) so beautiful
The hood is not gone	Can fall (14) so fast
I'm in the new dress that I've never worn	Don't you understand
And I could have sworn	Just (15) goodbye
You didn't bat an eye when I walked	You had the chance to change your mind
Into the room and I first thought	Just (16) you lied saying
You could be the one	You gave this (17) best try
Have we been seeing the (1) through	It's not (18) to try
A piece of shattered glass	You (19) to (20) your blood and tears
Something so beautiful can fall apart so fast	and time
Just (2) goodbye	Take the (21) of hurt inside
You had the chance to (3) (4)	You had one last chance to change your mind
mind	Just (22) goodbye
Just before you lied saying	Just (23) goodbye
You gave this (5) best try	You had the (24) to change (25)
It's not (6) to try	mind
You have to (7) your blood and tears and time	And just before you lied saying
You had one last chance to change your mind	You gave this your best try
Just before goodbye	It's not enough to try
Curtains are drawn but we're still dressed	You have to give your blood and tears and time
The (8) plays on (9) under my bed	Take the (26) of hurt inside
I ask (10) is left now	You had one last chance to change your mind
But you ignore, pretend that we're fine	Just (27) goodbye
We're not together, half of the time	Before goodbye
I would (11) (12) the signs	Before goodbye
Have we been seeing the world through
