Fill in the gaps

Just Before Goodbye by Nina Nesbitt

You got new jeans	'Cause something so beautiful
The hood is not gone	Can fall apart so fast
I'm in the new dress that I've never worn	Don't you understand
And I could have sworn	Just before goodbye
You didn't bat an eye when I walked	You had the chance to change your mind
Into the room and I first thought	Just before you lied saying
You could be the one	You gave this your best try
Have we been seeing the world through	It's not enough to try
A piece of shattered glass	You have to give your blood and tears and time
Something so beautiful can fall apart so fast	Take the world of hurt inside
Just before goodbye	You had one (5) chance to (6)
You had the chance to change your mind	your mind
Just before you lied saying	Just before goodbye
You gave this your best try	Just before goodbye
It's not enough to try	You had the chance to change your mind
You have to give (1) blood and tears and time	And just before you lied saying
You had one last chance to change your mind	You gave this your best try
Just before goodbye	It's not enough to try
Curtains are drawn but we're still dressed	You have to give your blood and tears and time
The film (2) on right (3) my bed	Take the world of hurt inside
I ask what is left now	You had one last chance to (7) (8)
But you ignore, pretend that we're fine	mind
We're not together, half of the time	Just (9) goodbye
I would (4) known the signs	Before goodbye
Have we been seeing the world through	Before goodbye
