The Stars (Are Out Tonight) by David Bowie

...

Stars are never sleeping
Dead ones and the living
We live closer to the earth
Never to the heavens
The stars are never far away
Stars are out tonight
They watch us (1)_____ behind their shades
***, Jack and (2)_____ and Brad
From behind their tinted window stretch
Gleaming like blackened sunshine
Stars are never sleeping
Dead ones and the living
Waiting for the first move
Satyrs and their (3)_____ wives
Waiting for the last move
Soaking up our primitive world
Stars are never sleeping
Dead (4)_____ and the living
Their jealousy's spilling down
The stars must stick together
We will never be rid of these stars
But I hope they live forever
And they know just what we do
That we toss and turn at night

They're waiting to make their moves

But the stars are out tonight

...

Here they are upon the stairs

Sexless and not aware

They are the stars, they're dying for you

But I hope they live forever

They burn you with their radiant smiles

Trap you with (5)_____ beautiful eyes

They're broke and shamed or drunk or scared

But I hope they live forever

Their jealousy's spilling down

The stars must (6)_____ together

We will never be rid of these stars

But I hope they (7)_____ forever

And they know just what we do

That we toss and turn at night

They're waiting to make their (8)_____ on us

But the (9)_____ are out tonight

Yeah...

The (10)_____ are out tonight

The stars are out tonight
