

Fill in the gaps

The Stars (Are Out Tonight) by David Bowie

...

Stars are never sleeping

Dead ones and the living

We live closer to the earth

Never to the heavens

The stars are never far away

Stars are out tonight

They watch us from behind their shades

***, Jack and Kate and Brad

From (1)_____ their (2)_____ window
stretch

Gleaming like blackened sunshine

Stars are never sleeping

Dead ones and the living

Waiting for the first move

Satyrs and their child wives

Waiting for the last move

Soaking up our (3)_____ world

Stars are never sleeping

Dead ones and the living

Their jealousy's spilling down

The stars must stick together

We (4)_____ never be rid of these stars

But I hope they live forever

And they know just what we do

That we toss and turn at night

They're waiting to make their moves

But the (5)_____ are out tonight

...

Here they are upon the stairs

Sexless and not aware

They are the stars, they're dying for you

But I hope they live forever

They burn you (6)_____ their radiant smiles

Trap you with their (7)_____ eyes

They're broke and (8)_____ or drunk or scared

But I hope (9)_____ live forever

Their jealousy's spilling down

The stars must stick together

We will never be rid of these stars

But I hope they live forever

And they know just what we do

That we (10)_____ and turn at night

They're waiting to make their moves on us

But the stars are out tonight

Yeah...

The stars are out tonight

The stars are out tonight

Yeah...

Fill in the gaps

Answer

1. behind
2. tinted
3. primitive
4. will
5. stars
6. with
7. beautiful
8. shamed
9. they
10. toss
