

You were my first love
The earth moving (1) me
Bedroom scent, beauty ardent
Distant shiver, heaven sent
I'm the snow on your lips
The (2) taste, the silvery sip
I'm the breath on (3) hair
Endless nightmare, devil's lair
Only so many times
I can say, I long for you
The (4) among the thorns
The (5) among the wolves
Someday, I will feed a snake
Drink her venom, stay awake
With time all (6) will fade
Through your memory I will wade
Barely cold in her grave
Barely (7) in my bed
Settling for a (8) tonight
Puppet girl, your strings are mine
Barely cold in her grave

Fill in the gaps

Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I (9)_______ for you
