All That I'm Living For by Evanescence

Fill in the gaps

All (1) I'm living for	All that I'm living for
All that I'm dying for	All that I'm dying for
All that I can't ignore alone at night	All that I can't ignore alone at night
I can (2) the night beginning	All that I'm wanted for
Separate me from the living	Although I wanted more
Understanding me	Lock the last open door
After all I've seen	My ghosts are gaining on me
Piecing every (3) together	Guess I thought I'd have to change the world
Find the words to make me better	To make you see me
If I only knew	To be the one
How to pull myself apart	I could have run forever
All that I'm living for	But how far (7) I have come
All that I'm dying for	Without mourning your love?
All that I can't (4) alone at night	All that I'm living for
All (5) I'm wanted for	All that I'm dying for
Although I wanted more	All that I can't ignore alone at night
Lock the last open door	All that I'm (8) for
My ghosts are (6) on me	Although I wanted more
I believe that dreams are sacred	Lock the last open door
Take my darkest fears and play them	My ghosts are gaining on me
Like a lullaby	Should it hurt to love you?
Like a reason why	Should I feel like I do?
Like a play of my obsessions	Should I lock the last (9) door
Make me understand the lesson	My ghosts are (10) on me
So I'll find myself	
So I won't be lost again
