Fill in the gaps

All That I'm Living For by Evanescence

All (1) I'm living for	All that I'm living for
All that I'm (2) for	All that I'm (16) for
All (3) I can't ignore (4) at night	All that I can't ignore alone at night
I can feel the night beginning	All that I'm (17) for
Separate me (5) the living	Although I wanted more
Understanding me	Lock the last open door
After all I've seen	My ghosts are gaining on me
Piecing (6) thought together	Guess I thought I'd have to change the world
Find the (7) to make me better	To (18) you see me
If I only knew	To be the one
How to pull (8) apart	I could have run forever
All that I'm living for	But how far would I have come
All that I'm dying for	Without mourning (19) love?
All that I can't ignore alone at night	All (20) I'm (21) for
All (9) I'm wanted for	All that I'm dying for
Although I (10) more	All (22) I can't ignore alone at night
Lock the last open door	All that I'm wanted for
My (11) are gaining on me	Although I (23) more
I believe that (12) are sacred	Lock the last open door
Take my darkest fears and play them	My ghosts are gaining on me
Like a lullaby	Should it hurt to love you?
Like a reason why	Should I feel like I do?
Like a (13) of my obsessions	Should I lock the last open door
Make me (14) the lesson	My ghosts are gaining on me
So I'll find myself	
So I won't be (15) again
