

## Fill in the gaps

## A Spoon Full Of Sugar by Julie Andrews

In every job that must be done	He knows
There is an element of fun	A song
You (1) the fun and, snap	Will (6) the job along
The job's a game	For a spoonful of sugar (7) the medicine go
And every task you undertake	down
Becomes a (2) of cake	The medicine go down
A lark, a spree	Medicine go down
It's very (3) to see	Just a spoonful of sugar helps the medicine go down
That a spoonful of sugar helps the medicine go down	In a most delightful way
The medicine go down	The honeybees that (8) the nector
Medicine go down	From the (9) to the comb
Just a spoonful of sugar helps the medicine go down	Never tire of ever buzzing to and fro
In a most delightful way	Because they take a little nip
A robin feathering his nest	Fom every flower that they sip
Has very little time to rest	And (10) (and hence)
While gathering his (4) of twine and twig	They find (they find)
Though quite (5) in his pursuit	Their task is not a grind
He has a merry tune to toot
