Look at us break our bonds	In what we're doing in here
In (1) kitchen	That doesn't show up
Look at us rallying	As bigger symptoms out there
All our defenses	So why spend all our time
Look at us (2) war	In dressing our bandages
In our bedroom	When we've the ultimate
Look at us jumping ship	Key to the cause right (7) our ur
In our dialogs	How I've spun my wheels
There is no difference	With carts before my horse
In what we're doing in here	When shine on the outside
That doesn't show up	Springs (8) the root
As bigger (3) out there	Spotlight on (9) seeds
So why spend all our time	Of simpler reasons
In dressing our bandages	This core, born into form
When we've the ultimate	Starts in my living room
Key to the cause right (4) our underneath	There is no difference
Look at us form our cliques	In what we're doing in here
In our sandbox	That doesn't show up
Look at us micro kids	As bigger symptoms out there
With both our (5) blocked	So why spend all our time
Look at us (6) away	In dressing our bandages
From all the rough spots	When we've the ultimate
Look at dictatorship	Key to the cause right here our underneath
On my own block	
There is no difference
