Keep Your Head Up by Ben Howard

I spent my time, watching	(Oh oh oh)
The spaces that have grown (1) us	I'm happy to have you home
And I cut my mind	(Oh) yeah
On the (2) best	Keep your (13) up
(Oh) the scars that come with the greenness	Keep your (14) strong
And I gave my eyes to the boredom	No, no, no, no
Still the seabed wouldn't let me in	Keep your (15) set
And I try my (3) to embrace the darkness	Keep your hair long
In which I swim	(Oh) my, my darling
Now walking back	Keep your head up
Down this mountain	Keep your heart strong
The strength of a turnin' tide	No, no, no, no
(Oh) the (4) so soft, and my skin	Keep your mind set in your ways
Yeah, the sun so hot (5) my side	Well, keep your heart strong
(Oh) lookin' out at this happiness	'Cause I'll always remember you the same
I searched for (6) the sheets	(Oh) eyes (16) wildflowers
(Oh) feelin' blind, I realize	(Oh) with your (17) of change
All I was searchin' for, was me	(Keep your head up)
(Oh oh oh) all I was searchin' for was me	(Keep (18) heart strong)
(Oh) yeah	May you (19) (keep (20) head up)
Keep your head up	Happiness here (keep your heart strong)
Keep your heart strong	(Keep your head up)
No, no, no, no	May all (keep your heart strong)
Keep (7) mind set	Your hopes all turn out right (keep (21) head up)
Keep your (8) long	(Keep your heart strong)
(Oh) my, my darling	Keep (22) head up
Keep (9) (10) up	Keep your (23) strong
Keep your heart strong	(Keep (24) (25) up)
(Na oh no no)	No, no, no (keep your heart strong)
Keep your (11) set in your ways	Keep your mind set
Keep your heart strong	Keep your hair long
Now I saw a friend of mine	(Oh) my, my darling
The other day	Keep (26) up
And he (12) me that my eyes were gleaming	Keep your heart strong
(Oh) I said I'd been away	No, no, no, no
And he knew	Keep your mind set in your ways
(Oh) he knew the depths I was meaning	Keep your heart strong
And it felt so good	'Cause I'll always (28) you the same
To see his face	(Oh) (29) like wildflowers
All the comfort invested in my soul	(Oh) with your demons of change
(Oh) to feel the warmth
