

Fill in the gaps

I, I can't get these memories out of my mind	
And some kind of (1) has started to evolve	But now I have finally seen the end
	(Finally seen the end)
I, I tried so hard to let you go	I'm not expecting you to care
But some kind of madness	(Expecting you to care)
Is swallowing me whole, yeah	But I have finally seen the light
	(Finally seen the light)
I have (2) seen the light	And I have finally realised
I (3) finally realised	(Realised)
What you mean	I need to love
	I (6) to love
Now I (4) to know: is this real love?	Come to me, (7) in (8) drear
Or is it just madness (5) us afloat	Come on and (9) me
	Yes I know, I can't be wrong
When I look back at all the crazy fights we had	Baby, you're too headstrong
Like some kind of madness	Our love is
Was taking control, yeah	
And now I have finally seen the light	
And I have finally realised what you mean
