

Fill in the gaps

Read All About It (Part III) (Live) by Emeli Sandé

You've got the words to change a nation	I (15) sing, I wanna shout
But you're biting your tongue	I (16) scream till the words dry out
You've (1) a (2) time stuck in silence	So put it in all of the papers
Afraid you'll say something wrong	I'm not afraid
If no one ever hears it	They can read all (17) it, read all about it
How we gonna learn your song?	(Oh oh oh)
So come on, (3) on, come on, come on	Yes we're all wonderful, wonderful people
You've got a heart as loud as lions	So when did we all get so fearful?
So why let (4) voice be tamed	And now we're finally finding our voices
The lights to fight the shadows	So take a chance, come help me sing this
There's no need to be ashamed	Yes we're all wonderful, (18) people
You've got the light to (5) the shadows	So when did we all get so fearful?
So stop (6) it away	And now we're (19) finding our voices
So come on, come on, (7) on	So take a chance, come help me sing this
I (8) sing, I wanna shout	I (20) sing, I wanna shout
I wanna (9) (10) the words dry out	I wanna (21) (22) the words dry
So put it in all of the papers	out
I'm not afraid	So put it in all of the papers
They can read all about it, read all about it	I'm not afraid
(Oh oh oh)	They can read all (23) it, read all about it
At night we're waking up the neighbours	(I wanna) sing, I wanna shout
While we sing away the blues	I wanna (24) till the words dry out
Making sure that we remember yeah	So put it in all of the papers
'Cause we all (11) too	I'm not afraid
If the truth has been forbidden	They can read all about it, (25) all about it
Then we're breaking all the rules	(Oh oh oh)
So come on, come on, come on	(Oh oh oh)
Let's get the TV and the radio	Yes I wanna sing, I wanna shout
To play our (12) again	I wanna (26) till the words dry out
It's (13) time we (14) some airplay	So put it in all of the papers
Of our version of events	I'm not afraid
There's no need to be afraid	They can read all (27) it, read all about it
I will sing with you my friend	(Oh oh)
So come on, come on, come on
