## How Deep Is Your Love (Cover) by Take That

And when you rise in the morning sun		'Cause we're living in a world of fools		
I feel you touch my hand in the pouring rain		Breaking us down		
And the moment (1) you wander far from me		When they all shoud let us be		
I wanna feel you in my arms again		We belong to you and me		
And you come to me on a summer breeze		You're the light, you're my light		
Keep you warm in your love, (2) you softly leave		(When I fall) And you may not think		
And it's me you need to show		That I care for you		
How deep is your love		When you know down inside that I really do		
Is your love, how deep is your love		And it's me you need to show		
I really need to learn		How deep is your love		
'Cause we're living in a (3) of fools		Is your love, how deep is your love		
Breaking us down		I really need to learn		
When they all shoud let us be		'Cause we're (8)		in a world of fools
We belong to you and me		They're (9)		us down
I (4) in you		When (10) all shoud let us be		
You know you're the door to my barest soul		We belong to you and me		
You are the light in my (5) darkest hour		How deep is your love		
And you are my savour when I fall (when I fall)		So how deep is your love		
And you may not think that I care for you		How deep is your love		
When you know down inside that I (6)	do	How deep is your lo	ve	
And it's me you need to show		So how deep is your love		
How deep is your love		How deep is your love		
Is your love, how deep is your love
