Being Boring by Pet Shop Boys

Fill in the gaps

r came across a cache of old photos	And we were never holding back
And invitations to teenage parties	Or worried that
"Dress in white" one said with quotations	Time would come to an end
From someone's wife, a famous writer	We were always hoping that
In the nineteen-twenties	Looking back you could always rely on a friend
When you're (1) you find inspiration	Now I sit with different faces
In anyone who's ever gone	In rented rooms and foreign places
And opened up a closing door	All the people I was kissing
She said: "We were never feeling bored"	Some are here and some are missing
'Cause we were never being boring	In the nineteen-nineties
We had too much time to find for ourselves	I never dreamt that I would get to be
And we were never being boring	The (5) that I (6) meant
We dressed up and fought, then thought: "Make amends"	to be
And we were never holding back	But I thought in spite of dreams
Or worried that	You'd be sitting (7) here with me
Time would come to an end	'Cause we were (8) being boring
When I went I (2) from the station	We had too much time to find for ourselves
With a haversack and some trepidation	And we were never being boring
Someone said: "If you're not careful	We dressed up and fought, then thought: "Make amends"
You'll have nothing left and nothing to care for	And we were never holding back
In the nineteen-seventies"	Or worried that
But I sat back and looking forward	Time would come to an end
My shoes were high and I had spots	We were always hoping that
I'd bolted through a closing door	Looking back you could always rely on a friend
I would (3) (4) myself feeling bored	And we were never (9) boring
'Cause we were never being boring	We were never being bored
We had too much time to find for ourselves	'cause we were never being boring
And we were never being boring	We were never being bored
We dressed up and fought, then thought: "Make amends"	

Answer 1. young

- 2. left
- 3. never
- 4. find
- 5. creature
- 6. always
- 7. somewhere
- 8. never
- 9. being
