

## Fill in the gaps

## A Whole New World by Peabo Bryson & Regina Belle

I can (1) you the world	I can't go back
Shining, shimmering, splendid	To where I (14) to be (a (15) new
Tell me princess	world)
Now (2) did you last let (3) heart decide	With new horizons to pursue
I can (4) your eyes	I'll chase (16) anywhere
Take you wonder by wonder	There's time to spare
Over, sideways and under	Let me share this whole new world (17) you
On a magic carpet ride	A (18) new world (a (19) new
A whole new world	world)
A new fantastic point of view	A new (20) point of view
No one to tell us no	No one to tell us no
Or (5) to go	Or where to go
Or say we're only dreaming	Or say we're (21) dreaming (a whole new world)
A (6) new world	Every turn a surprise
A dazzling place I never knew	With new horizons to pursue (every moment red letter)
But, now, (7) way up here	I'll chase them anywhere
It's (8) clear	There's time to spare
That now I'm in a whole new world with you	Anywhere, there's (22) to spare
Unbelievable sights	Let me share this whole new world
Indescribable feeling	With you, you
Soaring, tumbling, freewheeling	A whole new world (a (23) new world)
Through an endless diamond sky	That's where we'll be (where we (24) be)
A whole new world (don't you (9) (10)	A (25) chase
your eyes)	A wondrous place
A hundred (11) things to see (hold	For you and
(12) breath)	Me
(It gets better) I'm like a (13) star	
I've come so far
