

Fill in the gaps

Don't ask me	You (9) there
What you (1) is true	Two worlds collided
Don't have to (2) you	And they (10) never, ever, tear us apart
I (3) your precious heart	I (don't ask me)
I	I was (11) (you (12) it's true)
I was standing	You were there (worlds collided)
You were there	Two (13) (14) (were
Two worlds collided	(15) through)
And they (4) never tear us apart	And (16) (17) never (18)
We (5) live	us apart
For a thousand years	You (don't ask me)
But if I hurt you	You (19) standing (you (20) it's true)
I'd make (6) from (7) tears	I was (21) (worlds collided)
I told you	Two worlds (22) (were shining through)
That we could fly	And (23) could never (24) us apart
'Cause we all have wings	I
But some of us don't (8) why	I was standing
I was standing	You were there
