

Saying I'm sorry for that night

Fill in the gaps

Back To December by Taylor Swift

I'm so glad you made time to see me	And I go back to december all the time
How's life?, (1) me how's your family	It (17) out freedom
I haven't seen them in a while	Ain't (18) but missing you
You've been good, busier than ever	Wishing (19) I realized (20) I had
We small talk, work and the weather	When you were mine
Your guard is up and I (2) why	I'd go back to december
Because the last time you saw me	Turn around and change my own mind
Is (3) burned in the back of (4) mind	I go back to december all the time
You gave me roses and I (5) them (6)	I miss your tan skin, your sweet smiles
to die	So (21) to me, so right
So this me swallowing my pride	And how you held me in your arms
Standing in (7) of you	That (22) night
Saying I'm sorry for that night	The first time you (23) saw me cry
And I go back to december all the time	Maybe this is wishful thinking
It turns out freedom	Probably my mindless dreaming
Ain't nothing but (8) you	If we loved again I (24) I'd love you right
Wishing that I realized what I had	I'd go back in time and (25) it but I can't
When you (9) mine	So if the chain is on your door I understand
I'd go back to december	This is me (26) my pride
Turn around to make it alright	Standing in front of you
I go back to december all the time	Saying I'm (27) for that night
These days I haven't been sleeping	And I go back to december
Staying up (10) back myself leaving	It turns out freedom
When (11) birthday passed and I didn't call	Ain't nothing but missing you
Then I think about summer	Wishing that I realized what I had
All the beautiful times	When you were mine
I watched you laughing from the passenger side	I'd go back to december
And realized (12) I (13) you in the fall	Turn around and make it alright
Then the (14) came	I'd go back to december
The dark days (15) fear crept into my mind	Turn around and change my own mind
You gave me all your love	I go back to december all the time
And all I gave you was goodbye	All the time
So this is me (16) my pride	
Standing in front of you
