## C'mon Let Me Ride by Skylar Grey & Eminem

And the wheels go round	I'm only ****** with you
And round	**** you for thinking it's true
And round	I'm not like the sluts in this town
f you got a sweet tooth	They make me (blehh) in my mouth
You can taste my watermelons	I wanna ride on (5) bike
f the swing set bores you	'Cause you're the boy that I like
can show you all my talents	It's (6) I'm a sell out for you
can wear a tan	But (7) bike's so shiny and new, shiny and new
Like other ****** can't	She's distracted
You can have all this, boy	By my reflectors, man, I can (8) the chick's
And there's only one thing that I want from you	attracted
Come on, let me ride your bicycle	My wheels (9) to her, my Schwinn is a chick
t's so fantastical	magnet
On your bicycle	Bagging up chicks like a bag of chips
Ne can get a little more physical	With a bag of prophylactics as big as Mick Jagger lips
Baby, after all it's (1) natural	Shagging's something I'm a pro at
feel it coming, coming, coming	But I ain't practicing ****
feel it running, running	Allen Iverson has safe sex
Come on, let me ride your bicycle	Condoms are for practice, man, I skip practice
t's so fantastical	Flip backwards while I flip this bike on its banana seat
On your bicycle	My fantasy's to have you land where the kick stand is
You want to ride my bicycle	Got this ***** gagging, they call me the broad killer
You (2) to ride my bike	I'm the cousin of Godzilla
f the world starts freezing	'Cause I spit fire and my dick is dragging
can make it hot and humid	Zig-zagging up the avenue
f you get a bee sting	Pulling these chicks in my antagonist, wagon
can suck out all the poison	Screaming
can make you last	Come on, let me ride your bicycle
_ike all the ****** can't	It's so fantastical
Have I made it clear, boy	On your bicycle
There's only one thing that I want from you, hey	We can get a little more physical
Come on, let me ride your bicycle	Baby, after all, it's only natural
t's so fantastical	I feel it coming, coming, coming
On your bicycle	I feel it running, running
Ne can get a little more physical	Come on, let me ride your bicycle
Baby, after all, it's only natural	It's so fantastical
feel it coming, coming, coming	On your bicycle
