

Footsteps even lighter

Fill in the gaps

Stronger (What Doesn't Kill You) by Kelly Clarkson

You (1) the bed feels warmer	Doesn't mean I'm (16) (17) you're
Sleeping here alone	gone
You know I dream in colour	What doesn't kill you makes you stronger, stronger
And do the things I want	Just me, (18) and I
You think you got the best of me	What doesn't kill you makes you stronger
You think you had the last laugh	Stand a little taller
Bet you (2) that everything good is gone	Doesn't mean I'm lonely (19) I'm alone
Think you left me broken down	Thanks to you I got a new thing started
Think that I'd come (3) back	Thanks to you I'm not the broken hearted
Baby you don't know me, cause you're (4) wrong	Thanks to you I'm finally thinking 'bout me
What doesn't kill you (5) you stronger	You know in the end
Stand a little taller	The day you left was just my beginning
Doesn't mean I'm (6) when I'm alone	In the end
What doesn't kill you makes you a fighter	What doesn't kill you makes you stronger
Footsteps (7) lighter	Stand a little taller
Doesn't (8) I'm over cause you're gone	Doesn't (20) I'm (21)
What doesn't kill you makes you stronger, stronger	(22) I'm alone
Just me, myself and I	What doesn't kill you makes you a fighter
What doesn't (9) you makes you stronger	Footsteps (23) lighter
Stand a (10) taller	Doesn't mean I'm over cause you're gone
Doesn't mean I'm (11) (12) I'm	What doesn't kill you makes you stronger, stronger
alone	Just me, myself and I
You heard that I was starting (13) with someone	What doesn't (24) you makes you stronger
new	Stand a little taller
They told you I was moving on, and over you	Doesn't (25) I'm lonely when I'm alone
You didn't think that I'd come back	What doesn't kill you makes you stronger, stronger
I'd come back swinging	Just me, myself and I
You try to break me but you'll see	What doesn't kill you makes you stronger
What doesn't kill you (14) you stronger	Stand a little taller
Stand a (15) taller	Doesn't mean I'm lonely when I'm alone
Doesn't mean I'm lonely when I'm alone	When I'm alone
What doesn't kill you makes you a fighter
