Love On Top by Beyoncé

Fill in the gaps

	You're the one that gives your all
Ring the beat in!	You're the one I can always call
Honey, honey	When I need you, make everything stop
I can see the stars all the way from here	Finally you put my love on top
Can't you see the glow on the window pane?	Baby it's you, you're the one I love
I can feel the sun whenever you're near	Baby, you're the one I need
Everytime you touch me I just (1) away	You're the only one I see
Now everybody ask me why I'm smiling up	Come on baby it's you
From ear to ear	You're the one that gives your all
They say that love hurts, but I know	You're the one I can always call
It's (2) take the real work	When I (7) you, you make everything stop
Nothing's perfect but it's worth it	Finally you put my love on top
After fighting through my tears	Baby it's you, you're the one I love
And finally you put me first	Baby, you're the one I need
Baby it's you, you're the one I love	You're the only one I see
You're the one I need	(Oh) Baby, baby it's you
You're the only one I see	You're the one that (8) your all
Come on (3) it's you	You're the one I can always call
You're the one that gives your all	When I need you, you make everything stop
You're the one I can (4) call	Finally you put my love on top
When I need you, you (5) everything stop	Baby it's you, you're the one I love
Finally you put my love on top	Baby, you're the one I need
(Huum) Come on baby	You're the only one I see
You put my love on top top top	Baby, baby it's you
You put my love on top (huum) come on baby	You're the one that gives your all
You put my love on top top top	You're the one I can always call
Top you put my (6) on top (you put my love on top)	When I need you, you (9) everything stop
Baby it's you, you're the one I love	Finally you put my love on top
You're the one I need	
You're the only one I see	
Come on baby it's you
