

## Fill in the gaps

Not gonna get us
They're not gonna get us
Not gonna get us
Not gonna get us
Starting from here, let's make a promise
You and me, let's just be honest
We're (1) run, nothing can stop us
Even the (2) falls all around us
Soon (4) will be laughter and voices
Beyond the clouds (5) the mountains
We'll run away on roads that are empty
Lights from the airfield shining upon you
Nothing can stop this, not now I love you
They're not (6) get us,
they're not gonna get us
Nothing can stop this, not now I love you
They're not gonna get us,
they're not gonna get us
They're not gonna get us
Not gonna get us
Not gonna get us

We'll run away, keep everything simple
Night will come down, our (7) ange
We rush ahead, the crossroads are empty
Our spirits rise, they're not gonna get us
My love for you, always forever
Just you and me, all else is nothing
Not going back, not (8) back there
They don't understand,
They don't understand us
Not gonna get us
Not gonna get us
Nothing can stop this, not now I love you
They're not gonna get us,
they're not (9) get us
Nothing can (10) this, not now I love you
They're not gonna get us,
they're not gonna get us
They're not gonna get us
They're not gonna get us.
