Promiscuous by Nelly Furtado & Timbaland

(Am I (1) you off?)						
(Nope)						
(Didn't think so)						
How you doing young lady						
The feeling that you give me really drive me crazy						
You're dope have a player by the choke						
I was at a loss for words first time that we spoke						
You're looking for a girl that'll treat you right						
Have you looked for her in the daytime with a light						
You might be the type if I play my cards right						
I'll find out by the end of the night						
You expect me to just let you hit it						
But will you still respect me if you get it						
All I can do is try, give me one chance						
What's the problem I don't see no ring on your hand						
I'll be the first to admit						
I'm curious (2) you, you seem so innocent						
You wanna get in my (3) get lost in it						
Boy I'm tired of running, let's walk for a minute						
Promiscuous girl						
Wherever you are						
I'm all alone and it's you that I want						
Promiscuous boy						
You already know						
That I'm all yours						
What you're waiting for						
Promiscuous girl						
You're teasing me						

You know what I want and I got what you need
